

Fishing for Energy

Dispose of retired / derelict fishing nets and gear for **FREE**

The first fisherman to bring 1 ton of gear out of the ocean environment will receive **FREE dockage for one boat for 2009 - a \$1,500 value!**

You can dispose of retired / derelict fishing gear as long as it will fit inside of a 30-yard disposal bin.

Hazardous waste (i.e. waste oil) will NOT be accepted.

Gear = Energy
1 ton of derelict marine debris =
fuel for a home for 25 days

Call Tommy Vital, Assistant Harbormaster, at 508.989.1195 to arrange a time for you to drop off retired fishing gear.

Sponsored by the City of New Bedford, the National Fish and Wildlife Foundation, Covanta Corporation, and the National Oceanographic and Atmospheric Administration (NOAA).
